Chancellor  
CAROL T. CHRIST

Interim Associate Vice Chancellor for Research  
PATRICK SCHLESINGER

Vice Chancellor for Research  
PAUL ALIVISATOS

Chief of Staff  
CHRIS YETTER

Assistant Vice Chancellor  
Research Admin. & Compliance  
PATRICK SCHLESINGER

Executive Director  
Office of Environmental, Health & Safety  
MARK FREIBERG

Assistant Vice Chancellor  
Intellectual Property & Industry Research Alliances  
CAROL MIMURA

Director  
Berkeley Research Development Office  
DAVID TRINKLE

Administrative Units
• Berkeley International Office  
• Berkeley Research Development Office  
• Intellectual Property & Industry Research Alliances  
  - Office of Technology Licensing  
  - Industry Alliances Office  
• Office of Environmental, Health & Safety  
• Office of Laboratory Animal Care  
• Research Administration & Compliance  
  - Sponsored Projects Office  
  - Office of Animal Care & Use  
  - Office for the Protection of Human Subjects  
• Visiting Scholar & Postdoc Affairs Program

Research Units
• Archaeological Research Facility  
• Berkeley Energy & Climate Institute  
  - California Institute for Energy and the Environment  
• Berkeley Atmospheric Science Center  
• Berkeley Institute for Data Science  
• California Institute for Quantitative Biosciences  
• Center for African Studies  
• Center for Effective Global Action  
• Center for Environmental Design Research  
• Center for Information Technology Research in the Interest of Society  
• Center for Integrative Planetary Science  
• Center for Latin American Studies  
• Center for Race and Gender  
• Center for Science, Technology, Medicine & Society  
• Center for Middle Eastern Studies  
• Center for Southeast Asian Studies  
• Center for the Study of Sexual Culture  
• Donner Lab  
• Energy Biosciences Institute  
• France Berkeley Fund  
• Helen Wills Neuroscience Institute  
• Institute for the Study of Societal Issues  
• Institute of East Asian Studies  
• Institute of European Studies  
• Institute of Governmental Studies  
• Institute of Human Development  
  - Center for Child Youth Policy  
• Institute for Research on Labor and Employment  
• Institute of International Studies  
• Institute of Personality & Social Research  
• Institute of Slavic, East European, and Eurasian Studies  
• Institute of South Asia Studies  
• Institute of Transportation Studies  
• Kawli Energy Nanoscience Institute  
• Lawrence Hall of Science  
• Miller Institute for Basic Research  
• Radio Astronomy Laboratory  
• Simons Institute for the Theory of Computing  
• Skydeck  
• Space Sciences Laboratory  
• Stem Cell Center  
• Theoretical Astrophysics Center  
• Tsinghua-Berkeley Shenzhen Institute  
• UC Transportation Center

Museums & Field Stations
• Angelo Coastal Range Reserve  
• Berkeley Natural History Museums  
• Blue Oak Ranch Reserve  
• Donner Region-Field Research Stations  
  - Chickering American River Reserve  
  - Sagehen Creek  
• Central Sierra Snow Laboratory  
• Essig Museum of Entomology  
• Field Station for Behavior, Ecology and Reproduction  
• Gump South Pacific Research Station  
• Hans Jenny Pygmy Forest Reserve  
• Hastings Natural History Reservation  
• Human Evolution Research Center  
• Museum of Vertebrate Zoology  
• Phoebe A. Hearst Museum of Anthropology  
• UC Museum of Paleontology  
• UC Botanical Garden  
• University & Jepson Herbaria

Compliance Committees
• Animal Care & Use  
• Conflict of Interest  
• Laboratory & Environmental Biosafety  
• Laboratory Operations & Safety  
• Non-Ionizing Radiation Safety  
• Protection of Human Subjects  
• Radiation Safety  
• Research Compliance Advisory  
• Research Misconduct  
• Scientific Diving & Small Boat Safety  
• Stem Cell Research Oversight
